

Nolan Bank Feeds

Automated Bank Feeds Integration That Supports Open Banking

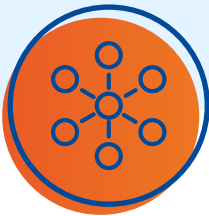

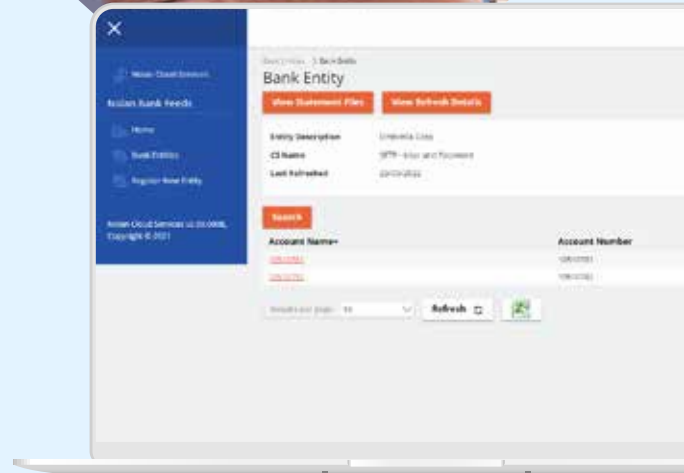

Test for yourself with a **FREE** one month subscription trial!

Fed up of tedious and time-consuming bank reconciliation?

Nolan Bank Feeds integrates seamlessly with your ERP, with an intuitive user experience and smart screen layout.

With Nolan Bank Feeds you can automatically download and reconcile across multiple, global bank accounts as well as gateways such as Stripe, PayPal and credit cards!

Direct Integration Across Accounts

Integrates across multiple global banks and bank accounts and supports Open Banking.

Saves Time & Money

Eliminates the need for manual downloads by automatically importing bank transactions into your ERP.

Easy to set up

Open Banking allows for simple self-setup with a subscription, meaning no long-term commitment is needed.

Integrates with:

**ORACLE
NETSUITE**

What our clients say:

"Nolan's automated bank reconciliation modules have been an incredible cost and time-saver for us"

- Tracy Brown, Credit Manager
